## Hi to all 29er Teams from outside Europe

We will be very happy to help to enable as many of you as possible, to race at the major events in Europe and can help with 29er Charterboats / logistics / coachboats / and maybe also family hosting for the Kiel EC

As known all 29ers which we supply have gone through our specialized workshop at first and got all detail and systems tunings done, got spliced rope systems, racing sheets and halyards and and and... means we will supply 100% race ready plug & play version 29er for you to enable you to get it and immediatly race it and no need to work on boat at first.

**29ers for Worlds** can be available at El Balis ESP from 23.July onwards and with a coaching group option as well for 4 days there done by multiple Dinghy WorldChampion

**Kiel Week** from 14. June and racing is 18.-22.  
and also with coaching options for training & racing

**Europeans in DEN** (starting 27.6.) boats can be delivered leaving after Kiel

We will also be present at the Euro-Cup Events at Workum NED from 22.-29.May and with a coaching option for training & racing

Boat options as well if any needs for EC at Hyeres in March, SLO in April and Garda in autumm

Coachings highly discounted for our customers / charter users and can be seen as a help

Please feel free contact me for any needs and supply to events and export leaving Europe afterwards / logistics / coachboats for Kiel and Europeans
